Other Benefits

Increased reliability

As Accredited Installers for Worcester Bosch, the UK's leading manufacturer of boilers, we can offer unparalleled reliability and support. Every boiler is thoroughly tested before it leaves the factory. With the lowest failure rate of any manufacture, Worcester is a sound investment.

Reduced your fuel bills

Installing the latest A rated boiler and controls will increase your heating systems efficiency and minimise your fuel bills.

Power flushing a system can increase efficiency by at least **25%**.

Extending life expectancy of your boiler

Cleaning and protecting your system will reduce the number of breakdowns & could extend the life of your boiler by as much as 5 years.

As Accredited Worcester Installers we are able to increase the standard 2 year warranty to **Seven Years** for no extra cost.

Seven years parts & Labour cover for any breakdown.

*A saving of over **£1250** on the average repair contract*

GlowZone believes in long term customer service. We provide annual service, maintenance and fast response breakdown cover.
